On a hill top in Missouri
Stands the school we know so well
Where we've played and where we've studied
And 'tis there our mem'ries dwell

CHORUS: Forward then Eureka High School
For we are all for thee
And we will fight to make thee
The best school in Missouri

And try to show our loyalty

Our Senior year, that long-awaited, long-in-coming year, had finally arrived. We entered the halls of Eureka High School for the last year of study and fun with light hearts.

During the first weeks, the Senior pictures that had been taken during the summer were distributed to friends and classmates. The Seniors also received their rings during the first weeks.

The time sped by in a whirl of football games, homework, and parties. One of these was a Sock Hop held in the new gym to the swingin' music of the Starlighters.

The traditional Senior Black Day was held on October 29. The all-senior classes had a very somber appearance that day.

Thanksgiving came and went. The basketball season got into full swing, and the year sped on. The Christmas holidays were a welcome respite from busy routine of school. Then came January. Some Seniors watched with trepidation the approaching semester exams. Most were just a little bit sad to think that one half of the Senior year was over.

As the second semester got underway, most of us had to be deciding on what to do after graduation. Many had already sent applications to the college of their choice. Others were looking over job opportunities, and still others were planning weddings.

Senior Class Officers Joel Sumner, Vice-President; Bill McReynolds, President; Connie Combs, Secretary.

Senior Committee
SEATED: Dawn Schoessel, Connie Combs, Carol Hasty. STANDING: Frank Elpers, Kenneth Mosher, James Cross.

The All-Sports Prom was held in February, and several Senior girls graced the court at this prom.

Winter gave way to Spring, and Graduation Day was drawing near. With Spring came Senior Tacky Day. The Seniors outdid themselves in the originality of their outfits.

May brought the Junior-Senior Prom. It was a night to remember.

The last few weeks went by so fast we hardly had time to catch our breath. There was the exciting Junior-Senior basketball game. There was also the Senior Assembly where we were all honored. It was our day in the spotlight.

The Senior Picnic was held during the final week before graduation. It was great. Baccalaureate was held Sunday night, June 5. We all felt very solemn in our caps and gowns. Finally our big day came. Commencement was held June 9.

As we look back over our Senior year, we remember all the things we learned and all the fun we had, but we also think of the future. It stretches shining before us.

For the members of the junior class, there are many unforgettable moments of their past year that will never leave them.

To begin a year full of activities, the class play, "When the Mice Are Away," was presented on November 18. This hilarious comedy, in which two of the characters were cats, gave the audience something completely different for entertainment.

Junior-senior rivalry reached its peak in a hard-played basketball game between the two classes.

The highlight of the social season, the junior-senior prom, held May 14, was planned entirely by the juniors and their sponsors. The juniors gave the seniors a wonderful evening and enjoyed themselves, too.

The ordering of senior rings marked a milestone of their high school days. The juniors can look back on three happy years at E.H.S. as they end the year as "almost seniors."

We started this year with the election of class officers. Larry Hammerschmidt was elected the president; Steve Jeffries was chosen vice-president; and Roger Branson was selected the secretary.

Those elected to county offices for County Government Day proclaimed their trip to Clayton an exciting and educational experience.

The Sophomore Best Citizen enjoyed an interesting day at Jefferson City this spring.

With some doubts and fears, young freshmen entered Eureka High School. As they gazed at the many classrooms and upperclassmen, fear of not belonging entered their minds, but soon they found they were an essential part in this active society.

Early in the fall freshmen elected their class officers to lead them through the coming year. They were: Jim McReynolds, president; Kirt Bopp, vice-president; and Mary Horn, secretary.

After the first few weeks of adjustment, many began participating in various activities. Some joined school clubs, finding them to be educational, yet fun. Others took part in the wide variety of sports since we had both a freshman football and basketball team. Each participant proved himself to be very valuable to E.H.S. for the future.

Throughout the year freshmen received encouragement and guidance from their sponsors--Mr. Cavender, Mrs. Eisenhauer, Mrs. Patterson, Mrs. Ritter and Miss Smith. Upperclassmen gave their assistance by offering the freshmen help and friendship.

Gradually, freshmen began realizing that this was a warm, friendly school which was anxious to see that each one of them succeeded.

As the year came to a close, those who had been uncertain and afraid had gained a new feeling of security. Future years at Eureka High looked bright and exciting.

F.H.A. ALWAYS ACTIVE

F.H.A.'s very active year began during the summer when Nancy Hull, regional president attended the National F.H.A. meeting in Philadelphia and presented a 90 minute program.

New members were initiated at the fall program.

A skit in the get-acquainted assembly, a tree planting on the school campus for United Nations Day, and the regional F.H.A. meeting were all October activities.

Canned goods donated by members provided a happy Thanksgiving for a needy family.

Beautifully wrapped toys for the Christmas of underprivileged children highlighted December.

F.H.A. again published the student Buzz Book. The Wednesday doughnut sales were a delight.

The Mother-Daughter Banquet in May, election of officers and a final picnic meeting culminated the year's activities.

The Future Nurses of America, along with their sponsor, Mrs. Jensen, had a very busy and educational year. This organization meets bi-monthly. Guest speakers were present for several meetings. The students gave reports at the others.

One of their projects was to make name tags for the EHS teachers for the Open House. During the year, the club visited the Physical Therapy Department of St. Mary's Hospital for a very informative tour of the facilities. They also made Easter baskets for the aged. The year was climaxed by the annual Spring Tea at which the members received their pins earned during the year.

F.T.A. INFORMS

Future Teachers of America is a club to promote interest in teaching as a career and give members information on different colleges. This year the F.T.A. took an active part in school life. We took part in the Get Acquainted Assembly, helped with Parents' Night, and raised money for the P.T.A. scholarship. Various speakers attended the meetings to present the members with interesting and informative talks.

G.A.A. KEEPS FIT

The Girls' Athletic Association is an organization intended to interest girls in a wide range of sports.

Points are given to girls for attending the monthly meetings and participating in sports outside of school. Emblems and letters are earned by having a certain number of points by the end of the year. In this way G.A.A. members are encouraged to become more active in athletics.

G.A.A.'s program for 1965-66 started in the fall with a memorable picnic. A formal Christmas party highlighted the year's events.

Members attended professional ice-hockey and basketball games at various times during the year. A swimming party in late spring concluded the program.

Special money-making projects, such as selling candy and license plates, helped to finance the activities.

National Honor Society is in its sixteenth year at Eureka High School. This organization is for outstanding students with the following four qualities: character, scholarship, leadership, and service. The members are chosen by the faculty from the top fifteen per cent of the junior and senior classes. Miss Ethel Pierce is the group's sponsor.

At the beginning of this year, there were six senior members; in the fall, four more seniors were elected. The faculty also chose more seniors and juniors in the spring.

There were three big events this year. Two initiations were in the fall and in the spring. Also the thirteenth Reunion Banquet was held during the Christmas vacation on Monday evening, December 27. Forty two guests were present for the occasion.

The Pep Club has worked hard to boost school spirit this year. Both the football field and gymnasium were decorated for home games by members. Signs were on display in the halls to support our teams.

Pep rallies were held where skits encouraged the players and fans to show their support.

The games were well attended by most of the 157 members who showed good sportsmanship throughout all the sports seasons.

BUSY YEAR FOR COUNCIL

Vice-president, Ken Mosher;
President, Dave Benton;
Secretary, Bob Lewis

The main purpose for the student council is the coordination of student faculty relations. Each homeroom selects a member at the beginning of school to represent its views. Officers are elected by the entire student body in the spring of the previous year.

This year's council's activities included a sock hop in the fall and the All Sports Prom in February. The council sponsored Parent's Night in November. They also planned the annual homecoming. The election of cheerleaders and student body officers in the spring is also a responsibility of the student council.

In January it held its First Annual Open House and announced at the time that meetings would be held during the summer to keep the club together. Mr. Beck is the club's sponsor.

CHOIR PERFORMANCES OUTSTANDING

Early performances of the choir included Parents' Night and the Get Acquainted Assembly. A major portion of the music in the annual Christmas Vespers was provided by choir.

The choir participated in the St. Louis Area Music Festival in April, where an experienced adjudicator graded its abilities. This year 36 of the 66 members of choir were new, but under the direction of Miss Harttman, they entertained extremely well at all performances.

Not pictured separately are the St. Louis All-Suburban Chorus members Linda Huskey, Wanda Huskey, and Joe Feager from our choir who sang in a special concert at Kiel Auditorium in February. In March the group performed at the National Music Educator's Association Conference in Kansas City. They were directed by Mr. Richard P. Condi, of the World famous Mormon Tabernacle Choir.

In addition to its performances here, Madrigal sang at Ramco Corporation's Christmas party.

"AROUND THE WORLD

WITH FASHIONS"

"Around the World with Fashions" was the theme of the annual style show held Thursday, March 31. The girls, dressed in their lovely garments fashioned in spring styles and colors, visited France, Germany, Holland, and England in their tour of the fashion capitals of the world.

Centering around the theme "I'll Be Home For Christmas" the Annual Vespers was presented December 15 and 16.

Traditional carols set the mood as the stage disclosed a typical family decorating for Christmas.

All of the decorating completed, the family enjoyed the Christmas cards--particularly those with unusual settings and appropriate carols.

As a climax the Christmas gospel and scences of the nativity were presented along with the music.

The final scene of the adoration unfolded as the members of the choir and combined boys and girls glee clubs sang "Joy to the World"

This year the juniors presented their audience with one of the most hilarious comedies ever given at Eureka High School. "When the Mice Are Away", presented November 18, dealt with the problems of the Fermoile family. The most unusual characters of the play were Kitty and Tom, two cats.

The play was directed by Miss Johnson, who was assisted by Linda Prentice and the speech class.

In a setting of silhouettes using our school colors, purple and gold, and Wildcat heads, students enjoyed the evening of February 19 dancing to the music of the Moonbeams.

Lettermen selected the maids to represented each sport and the entire student body voted for the queen.

Guests enjoyed refreshments of punch and cake.

The party was sponsored by the Student Council.

G.A.A. DANCES UNDER MISTLETOE

A glittering Christmas tree, tempting refreshments, soft music, and an unavoidable mistletoe were the makings of the G.A.A.'s Mistletoe Ball. Several dance contests were among the night's entertainment. The highlight of the evening was the arrival of Santa Claus. Santa handed out candy canes to every couple before dancing with G.A.A. sponsor, Mrs. Kenning. As couples left the party, girls were kissed by their escorts when they passed under the mistletoe hanging above the doorway. It was a perfect ending to a wonderful evening.

MUSIC CROWNS MIDST PINK CHAMPAGNE

Let's sit this one out.

Pink Champagne was the theme of the music party which was held in the old gym on Jan. 22.

The beautiful decorations and delicious refreshments helped to carry out the theme very nicely.

Ken Mosher and Linda Huskey were chosen king and queen for the 1965-66 music year. The Vikings provided the music.

Oh, how we danced.

More punch?

SOCK HOP HUGE SUCCESS

Large numbers of students attended the student council sponsored sock hop, November 19. This took the place of the annual all-school party. Music was furnished by the Geminis.

Having three basketball teams in the high school for the first time has involved problems of scheduling practice sessions and games.

Freshmen games were played in the late afternoon or on Saturday mornings. This didn't dampen the spirit of the team, but it did cut down on the size of the crowds to cheer for them.

The team had a successful and exciting season with a 6-9 record. Several games were won or lost in the last few seconds. Junior Varsity can look forward to a good team next year.

Mr. John Lantz, elementary physical education teacher, coached the freshman team.

BASKETBALL ADDS

The 1965-66 Varsity Basketball season turned out to be a disappointing one. The Wildcats won only 4 games while losing 19. The Wildcats fought hard all season and lost many of their games by only 1 or 2 points, one of which went into overtime.

In two tournaments this year, Owensville and conference, Eureka advanced and fought for a trophy, but was unable to win the final game.

Eight of the Varsity players graduate this year and five of them were starters on the team.

CHEERLEADERS SPARK TEAMS

Marilyn Baron and Dawn Schoessel

Cheerleaders are elected in the spring of the previous school year. All students who wish participate in a preliminary tryout before a faculty committee.

Those selected by the faculty perform individually before the student body, and each student votes for six. Two substitutes are also chosen.

This year's cheerleaders were outstanding in their ability to control the crowd, their display of sportsmanship and the perfection of their performance.

Their busy year included cheering for football, all three basketball teams and preparing programs for each home game.

Brenda Stewart and Marsha Keeton

Connie Combs and Linda Stewart

Cold weather didn't dampen the enthusiasm of the crowd or the teams during the football season.

IT'S ACTION! ACTION! ACTION!

THE JUNIOR-SENIOR GAME

The annual Junior-Senior basketball game was held Friday, March 4. The seniors emerged victorious in a thrilling game that ended with the score 61-42.

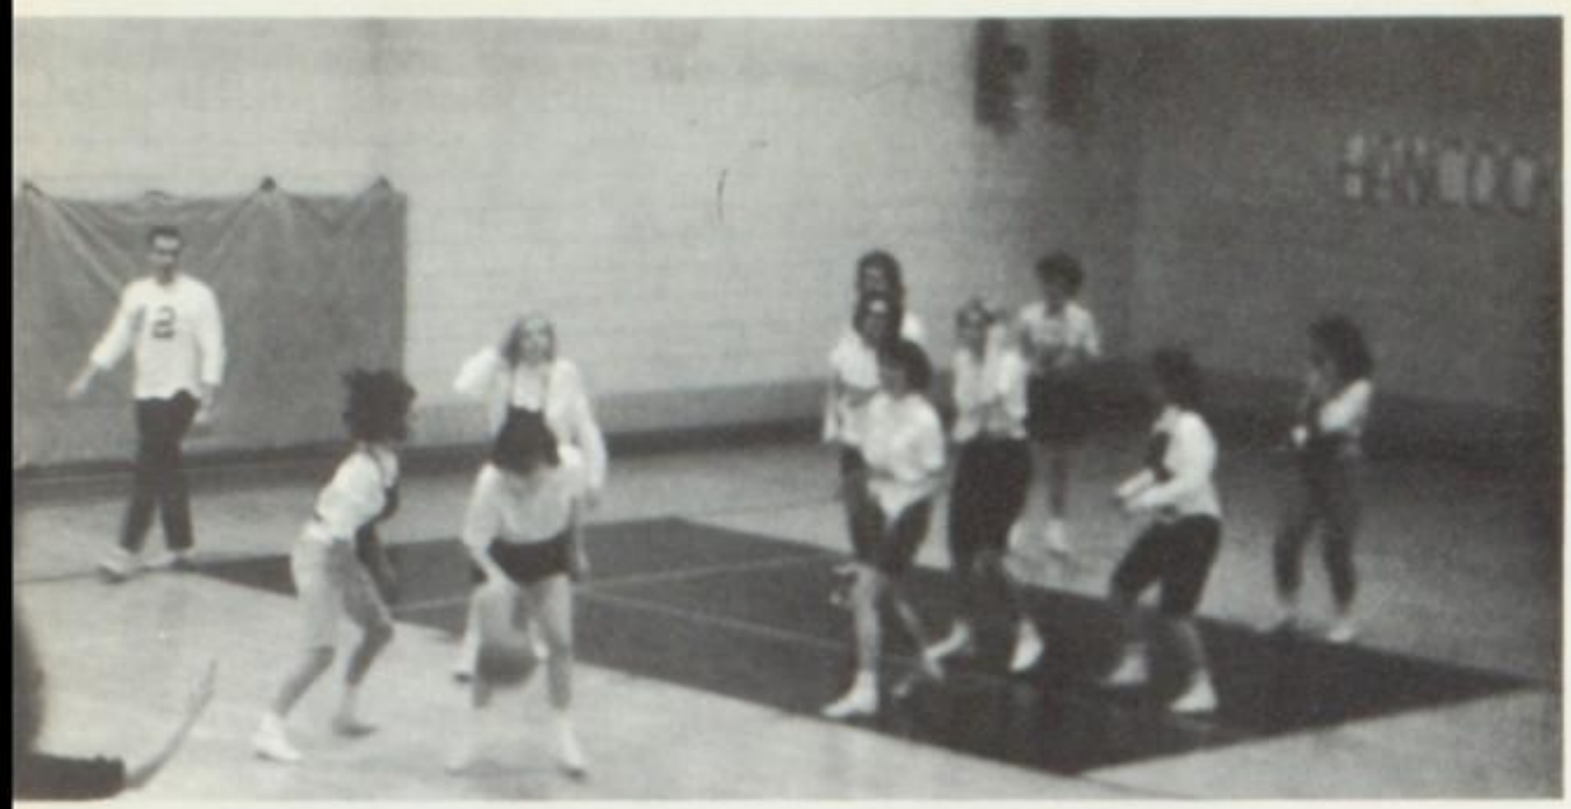
After looking up records for the past ten years, we found that only two classes have won the game for both their junior and senior years. They were the graduating class of 1962 and this year's 1966 graduating class.

Juniors on the warpath.

The seniors were victorious.

Bulls eye!!

Cowboys rope it!



This was an important game! The girls played their best.

Help came from the sidelines.

The ball was not in the midst of the activity.

AND HOMECOMING.

Homecoming has become a part of the basketball season. This year there were some variations. Immediately after school, a pep meeting with skits and the awarding of football letters set the stage for the game between the junior and senior girls. The seniors called it a close game, but the victory went to the juniors by a score of 21-15.

More than one hundred students enjoyed chili, spaghetti, ham sandwiches or cheese sandwiches after the girls game.

The bonfire and rally before the varsity basketball games had heat, enthusiasm and noise, but they didn't affect the outcome of the games. (We lost).

The bonfire was hot and bright.

The crowd was loud and large, the cheerleaders wore corsages for the occasion.

It was jump, and they were ready.

Cafeteria Staff:
Mrs. Blanche Donovan, Mrs. Annie Pullen, Mrs. Delores Branson, Mrs. Hilda Smith, Mrs. Emilie Gudermuth, Mrs. Marie Huskey, Mrs. Marine Harness.

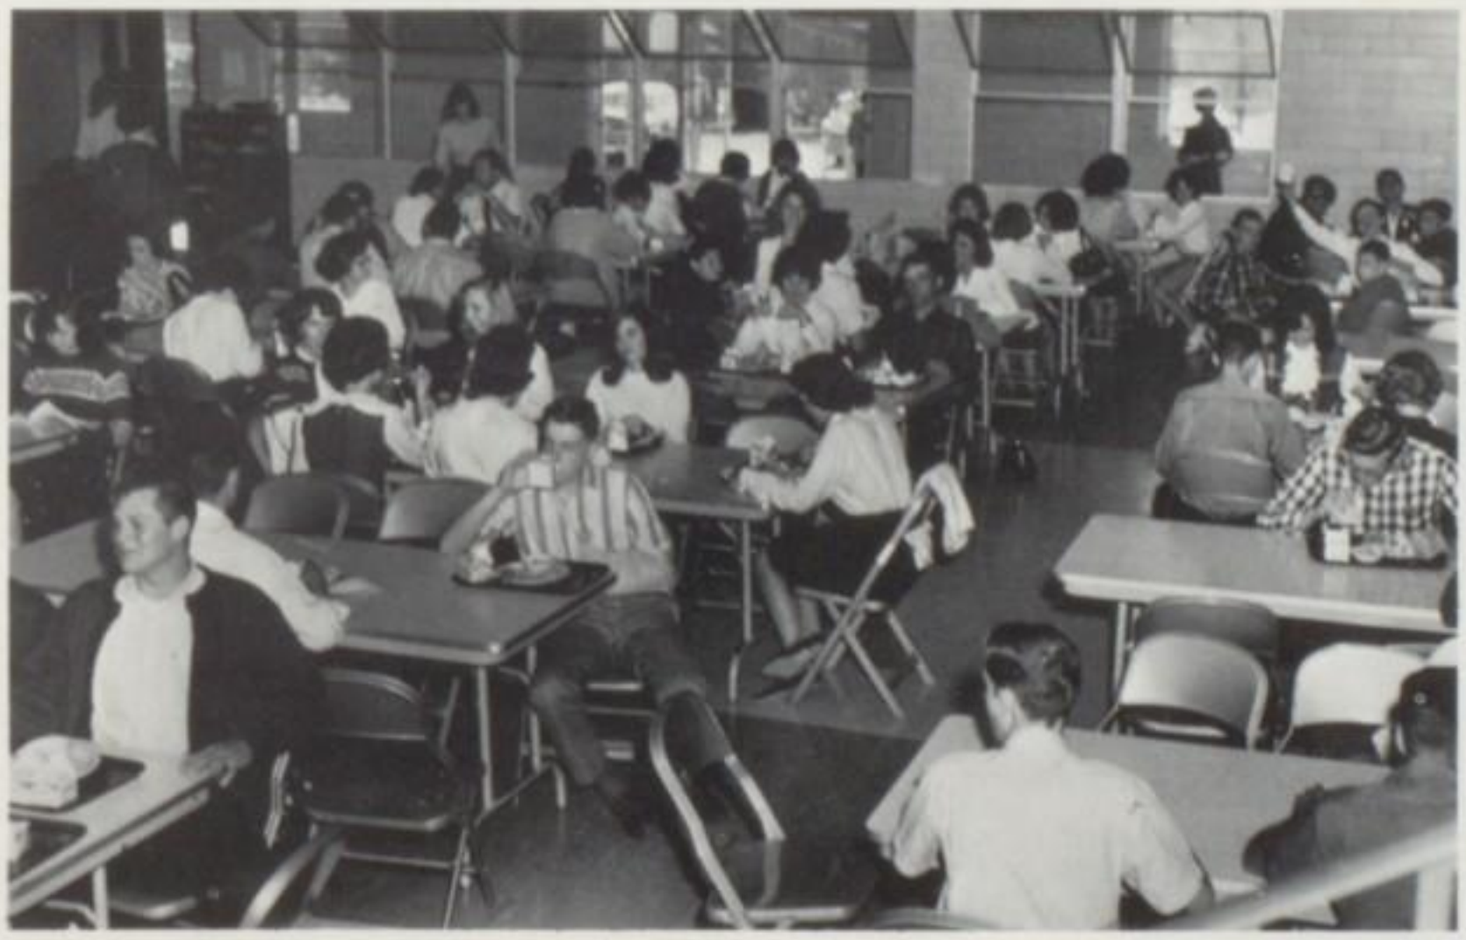
"LET YOUR TASTE TELL"

Not many students realize that another part of the school is the cafeteria staff. Their hours of labor deserve a great deal of appreciation, as they arrive early every morning to prepare the hot lunches.

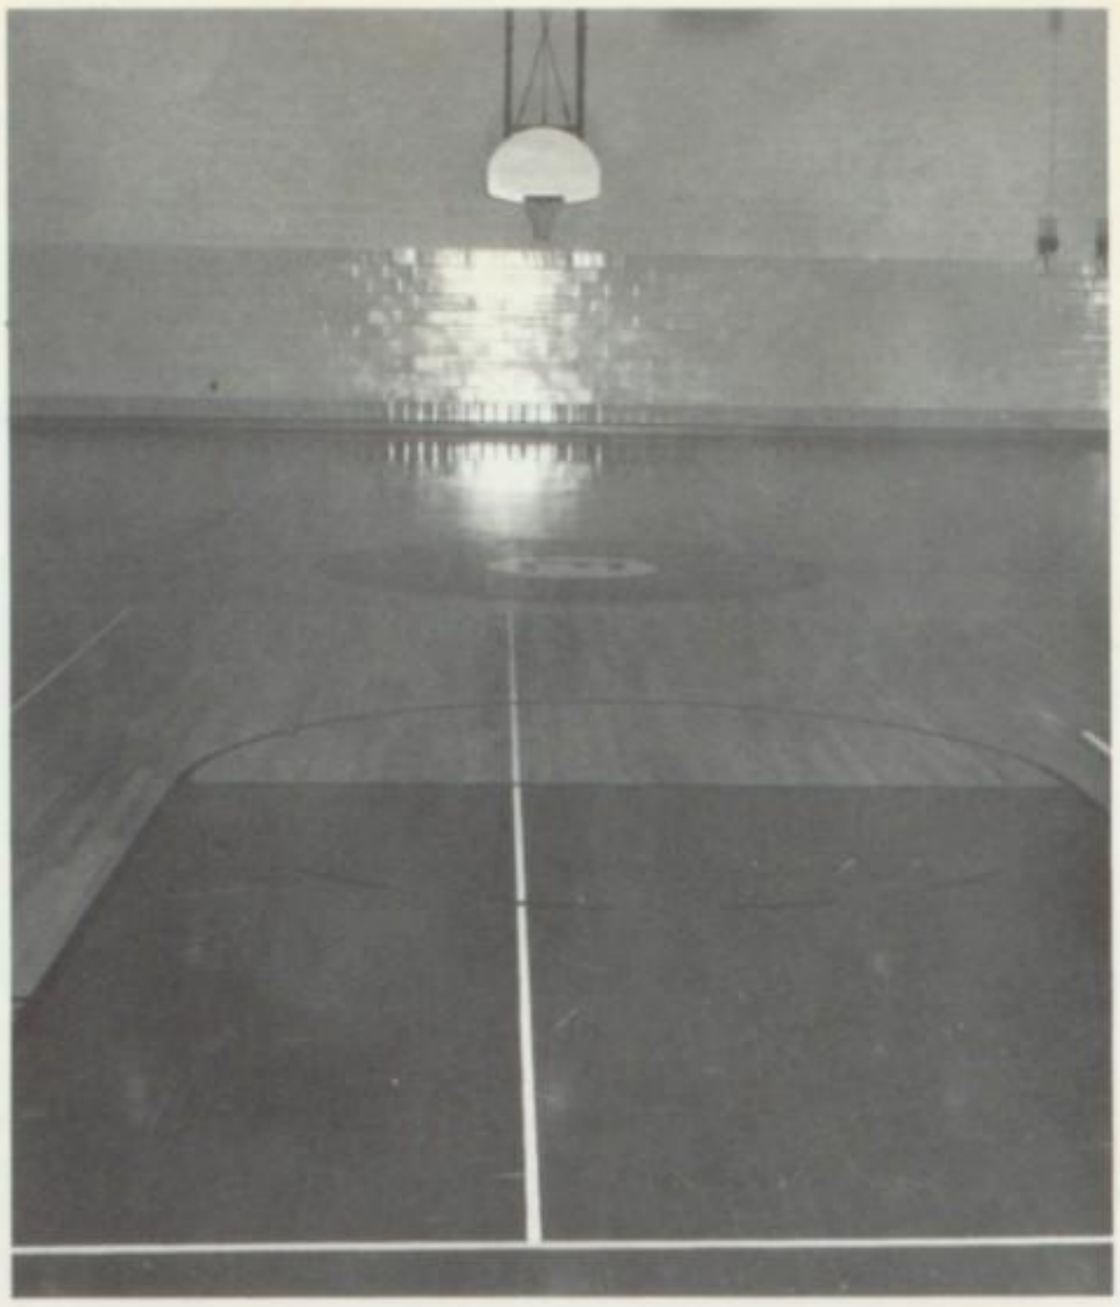
Besides the students and faculty, our cooks serve five other schools of the Rockwood District which is approximately 1,200 lunches a day.

Pictured with the staff is Marine Harness who prepares the menus and supervises all the cafeterias in the Rockwood District.

The pause that refreshes.



Custodians: Betty Ramano, Isodore Blechle, John Smith, and Lester McMullin.



Clean floors is only a part of their job.

"STRONGER THAN DIRT"

The custodians should be appreciated for their fine contribution to school life. They work year-round in an effort to keep our school a clean and comfortable place for us to study. This is no easy job, but they do it exceptionally well.

Mrs. Jensen, Nurse.

"FOR FAST, FAST, FAST RELIEF"

Mrs. Jensen is our school nurse, and she is kept busy caring for those who get hurt or become ill. She also travels to other schools in our district to perform the same service. Mrs. Jensen is the sponsor of the F.N.A.

"LEAVE THE DRIVING TO US"

Ron Hanephin, Tom McKeever, Jack Reeder, Clinton Jerome, James Jones, and Ina Mae Gabbert all boarded the bus every day at noon to go to technical school.

The bus drivers of this area do a great service for the students of E.H.S. and other schools in the Rockwood District. Without these important members of the staff, most of our students would have no transportation to and from school. Besides their daily duties, they drive buses for all our basketball games, football games, and other extracurricular activities.

The year for us has been a busy one, and as we look back on our eighth grade, we remember all the things we learned, all the games we attended, the parties that were held, the programs we participated in, and the many ways we grew as individuals.

We enjoyed the privileges of being upperclassmen, but with it went responsibilities too.

At our graduation in June we remembered these things, but we also look forward to the next four years at E.H.S.

We seventh graders entered Eureka Junior High with mixed emotions. We were fearful of the new experiences we would encounter, yet excited and eager to begin the new year.

Since we came from various grade schools in the area, many new friendships were made. As students attended various assemblies, programs, parties, and basketball games together, these friendships were strengthened.

As the year came to a close, we looked forward to next year when we would be the upper classmen of junior high and one year closer to high school.

We sold candy, as a special project, to raise money for our fund.

Performing at the elementary schools of our district was just one of the orchestra's activities. Participation in the annual spring Music Festival and in an operetta were also a part of the program this year.

Orchestra contributed much to the success of the school year for junior high. Each of its members also benefited greatly from this year of experience.

The music opportunities have really been a challenge to most of us. After providing lots of entertainment at the Thanksgiving assembly, the boys' and girls' glee clubs had a memorable experience at Christmas filling the beautifully decorated auditorium with the sounds of Christmas carols.

One of the main hits of the year was the talent show in which anyone could participate. The specially chosen double quartet ranked third place when they sang favorites such as "I Enjoy Being A Girls," which was probably a result of the rehearsals every Thursday after school. They also went to other schools, entertaining them with their vocal selections and attended the music festival at Washington University.

Bandwagon in April attracted the crowd we had hoped for. What a rewarding experience!

June crept upon us giving us only a few more opportunities to perform before the school year came to a close.

This is the first year that we have had a select group for vocal music.

GROUPS SERVE OUR SCHOOL

The Eureka Junior High School Student Council consists of 9 members. These students were elected from their various homerooms at the beginning of the year.

It was their responsibility to plan the party which was held in the Fall.

They also had another party in the spring.

The sponsor of the Student Council this year was Mrs. Bruns.

PERFORM AND PICNIC

On the chilly evening of December 21, the combined junior high band and choir presented their annual Christmas program. The band played traditional carols with solos by various members. A candle-lighting ceremony introduced the choir. Several small groups composed of choir members sang carols. The program closed with the extinguishing of the candles.
